Detailed Action

Response to Appeal Brief

- Applicant's request for Pre-Appeal Brief Review filed October 12, 2005 was conducted on October 17, 2005. It was determined at the resulting conference that the limitation of "the side of the claw comes into contact with a sidewall on the cassette inserting direction side of the hole..." was not disclosed in the prior art. Therefore, the finality of that action is withdrawn and prosecution is reopened.

Reasons for Allowance

1. Claims 1-3 are allowed.
2. The following is an examiner's statement of reasons for allowance:

This application is for a lock release arm for a cassette.

- **Claims 1 and 2** specify a lock release arm for a cassette, which requires:

"...wherein a sidewall on a cassette inserting direction side of the claw comes into contact with a sidewall on the cassette inserting direction side of the hole to position the cassette..."

These features, in combination with the other features of Claims 1 and 2, are not anticipated by, nor made obvious over, the prior art of record.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark Blouin whose telephone number is (571) 272-7583. The examiner can normally be reached M-F, 6:00 am – 3:30 pm.

If attempts to reach the examiner by telephone are unsuccessful the examiner's supervisor, William Korzuch can be reached at (571) 272-7589. The fax phone number for the organization where this application or proceeding is assigned is (571) 273-8300 for regular and After Final communications.
